DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

Serial No. 09/254,590

1. The reply filed on 23 April 2001 (Paper No. 11) is not fully responsive to the prior Office action because of the following omission(s) or matter(s): the election of group II directed to new claims 56-66 and 78-88 appears confusing because the original claims were cancelled and claims appear to be directed to different inventions. For example, new claim 56 appear to be directed to SEQ ID NO: 30 or 42. Also claim 57 appear to be drawn to other SEQ ID NO: aside from the hSK2 encoding nucleic acid. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period may be granted under 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Pak, whose telephone number is (703) 305-7038. The examiner can normally be reached on Monday through Friday from 8:30 AM to 2:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yvonne Eyler, can be reached on (703) 308-6465.

Official papers filed by fax should be directed to (703) 308-4242. Faxed draft or informal communications with the examiner should be directed to (703) 308-0294.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 308-0196.
